Best Start Grant

Pregnancy and Baby Payment

Marketing Campaign Toolkit

Dignity,
fairness,
respect.

To raise awareness to the Best Start Grant Pregnancy and Baby Payment Social Security Scotland and the Scottish Government are launching a marketing campaign.

The message behind the campaign is based around budgets being stretched during pregnancy and after the birth of a new baby.

We've had great take up of the Pregnancy and Baby Payment since 10 December. It is our hope that this campaign will lead to an even greater increase in public awareness, ensuring everyone in Scotland who is entitled knows about the payment and applies.

During the campaign we are asking you to make sure your clients are aware of the payment by sharing social media posts. and requesting posters to display in your public and staff facing spaces. The posts will appear on the Parent Club facebook page and on Social Security Scotland facebook and twitter pages.

Background

Social Security Scotland

Social Security Scotland is the new service that has been created by the Scottish Government to deliver a number of benefits. Delivery of these benefits will transfer from the UK Government to the Scottish Government in stages over the next four years.

At the end of the transfer process we will be delivering benefits to provide additional support for people on low incomes, disabled people, carers, young people entering the workplace and to help people heat their homes.

Social Security Scotland's head office is in Dundee with another major base in Glasgow. Once fully operational, will also provide a local presence across Scotland.

We want our clients to be able to access our services as close to their homes as possible and in a way that suits them. Social Security Scotland will put dignity, fairness and respect at the heart of everything we do.

Parent Club

Parent Club is a Scottish Government initiative set up to promote health and education campaigns to parents. The website parentclub.scot is full of handy hints to help parents tackle the challenges of raising kids.

Pregnancy and Baby Payment

The Pregnancy and Baby Payment is part of Best Start Grant, a package of three payments that will give extra money to low income families during the early years of a child's life.
