WELCOME TO OUR NURSERY

Happitots Garrowhill is a well-established and trusted nursery situated in a fabulous property with four departments spread over two levels. With a reputation for providing high quality childcare our nursery commits to creating a home away from home atmosphere for children and parents to feel comfortable and confident in our setting. We provide childcare for children from 6 weeks to 5 years of age. We are conveniently located in close proximity to the M8 and many public transport services are available near us, making us the perfect option for commuters. We are open from 8am– 6pm and offer full time and part time sessions. We also work in partnership with Glasgow City Council to provide 3-5 year old funding to eligible families.

OPENING HOURS

Our Children Approach

"We are passionate about quality Early Years Care and Education and recognise the importance of each child's self-development. We believe that children learn through play, example, interaction and teaching. These four concepts form the core of our ethos and we strive to expand your child's development through these methods. We help every child in every aspect of their growth and achieve this through praise, guidance and encouragement".

Free Settling Sessions

Your child will be settled into our nursery gradually to ensure that every member of your family is happy with the choice you have made. Our staff know the importance of these sessions as they each work closely with parents to aid your child into nursery as seamlessly as possible. Our settling in sessions will last as long as your little one requires. We understand that every child is different, and our aim is to make these sessions as flexible and comforting as possible to guarantee that both you and your child are happy. Parent visits are encouraged whilst your child is gradually settled into the nursery.

Our Team

Our staff team comprises of a blend of experienced and professionally qualified nursery practitioners, and trainees, who are working towards their qualifications. All staff are skilled in expertly guiding your child through the wonders of learning whilst playing. Our staff are dedicated to treating your child with patience, affection, enthusiasm and understanding. All staff participate in ongoing training to constantly progress their own skills, knowledge and abilities

"Helen Healy, our nursery manager, has over 20 years of experience in childcare. She manages her nursery and staff team to ensure her nursery provides a secure family environment where you can feel relaxed and confident in the knowledge that your child is being cared for by dedicated staff in a safe environment".

Our Playrooms

Playrooms within our nursery are generously proportioned, carefully planned and extensively resourced to create inspiring learning environments in which children can grow and learn with confidence. Here at Garrowhill we pride ourselves on being a child-led setting, allowing the children to think for themselves. We find this approach is beneficial in forming confident, independent little ones who understand that every action has a consequence. All parents have access to their child's E-Learning Journals which are constantly updated and can be accessed 24 hours a day so you don't miss out on anything!

Nutrition and Food

Our nutritionally balanced menus ensure our children are raring to go every day! Children are offered a range of delicious, nutritious meals and snacks. Our wholesome and nourishing menus are expertly designed to give your little one the very best start in life. The meals we provide are all home-cooked within our nursery by our experienced, on site nursery chef. Our chef has carefully created a 3 week rolling menu, which has been approved by the Starting Life Well team, and ensures a healthy well balanced diet for all children. Whenever possible we try to source all our food locally and organically, including seasonal vegetables and fruit. We believe that by providing our children with nutritional food, bursting with fresh fruit and vegetables, is a necessity in each child's physical and mental well-being.

Outdoor Play

We love to get outside at Happitots Garrowhill! We have 2 secure gardens which are designed and appropriately equipped for each age group. Our babies have a separate outdoor play area which has resources to promote sensory & motor skills. As well as access to our fabulous outdoor play areas, children of all ages enjoy regular walks in the local area. Our youngest children are often seen out in our triple buggies enjoying the fresh air, sights and sounds of the local community. We use Walkodile Child Safety Systems and high visibility vests to keep children safe when out on trips away from the nursery. We are lucky enough to have access to our own Happitots area within the grounds of Garrowhill Park which offers extensive space and learning opportunities to our older children.

Caring about our planet

We are committed to being an environmentally friendly nursery, making changes wherever we can in order to make the world a cleaner place! We are a registered ECO-Nursery and are committed to teach our children about their environment and the effect we have on it in our day to day lives.

Activities

We are delighted to be able to offer our children further opportunities for their development. Our children also benefit from regular community outings, celebration of festivals and fundraising activities. For their final year at nursery we celebrate our children going off to School with their very own Graduation!

Award Winning Childcare

See what our parents have to say on www.daynurseries.co.uk. We are very proud of the wonderful reviews parents have submitted about our nursery:

"We have had a very positive experience with the nursery. Our daughter has settled well and enjoys attending. Staff are very knowledgeable and friendly. Would totally recommend."

- Current parent

"My son has developed amazingly since attending nursery. Nursery teachers have done brilliantly encouraging walking and feeding on his own."
